RE: Village of Magnetic Springs Flood Damage Reduction Regulations

Dear Mayor Cantrell:

On September 18, 2023, our office received final documentation for the adoption of Ordinance No. O-5-23 for the Village of Magnetic Springs, Ohio. The update of these regulations was initiated upon revision of the Flood Insurance Study (FIS) and Flood Insurance Rate Maps (FIRM) for Union County, Ohio and Incorporated Areas, effective September 21, 2023. In accordance with Section 1521.18 of the Ohio Revised Code, ODNR's Floodplain Management Program has reviewed these regulations and finds them compliant with the minimum standards of the National Flood Insurance Program (NFIP). I will forward a copy of these regulations to the Federal Emergency Management Agency (FEMA) on your behalf.

Thank you for your cooperation in the update of your local floodplain management ordinance. If you or other community officials have questions about this information, the NFIP regulations, or need other assistance in floodplain management, please contact me at 614-265-6602 or [samuel.beam@dnr.ohio.gov](mailto:samuel.beam@dnr.ohio.gov).

Sincerely,
