North Union Active Transportation Plan

- Depends on school property decision
- Contacted Tracy Richardson's office - \$700 million available for capital projects next year. According to her clerk, the entire park proposal would qualify as a capital expense. We will talk in November to lay out details.
 - Council park ideas, additions, or concerns?
- Work with Leesburg Township trustees to put together a joint plan.
- Template on ODOT for community submission (~70 pages)
